Koia, Sworn. I know his parcel of land at Kaluaakea, Kaa, Lanai. 1 Parcel of land.

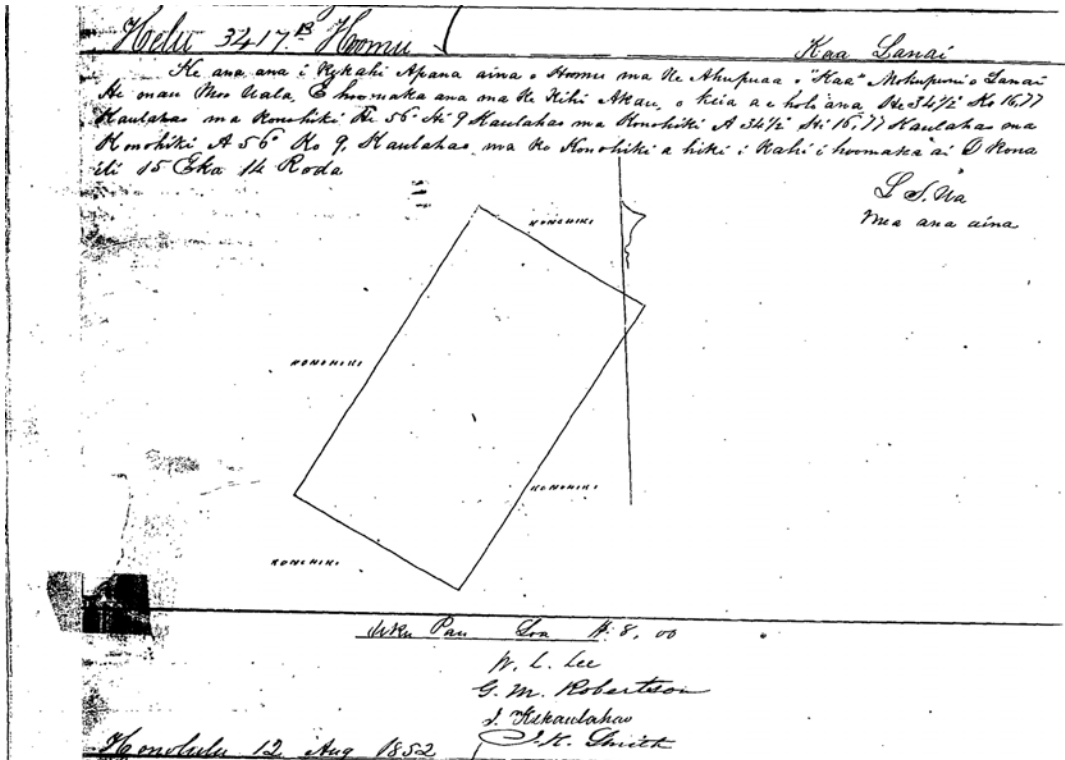

1 section of land & three houses. The boundaries are thus"

Above and on all sides, the land of the Konohiki.

He received this parcel of land in the time of Kamehameha I. It was an idle piece of land. It was he who cultivated it and built the houses thereon. He has dwelt peaceably at this place to this time. No one has objected.

Kauhikape, Sworn. All of the words spoken above are true. I have known the same as him. His residency from olden times. There has been no objection.
