Kau na Howa

Lanai. February 2, 1848.

I hereby describe my claim to you. It was gotten from the *Konohiki* of Kaa. Kahili sought a house to live in from Kaahumanu. Kaluahinenui lived under him, and I was below Kaluahinenui. Therefore this is a claim from one who was under them to me. Hear me Commissioners who Quiet Land Claims.

Done by me, Howa.
